1. Dependent children to age 26.
2. Reimbursement is based on our schedule of maximum allowable charges (MACs). Network dentists agree to accept our allowances as payment in full for covered services. Non-network dentists may bill the member for any difference between our allowance and their fee (also known as balance billing). United Concordia Dental's standard exclusions and limitations apply.
3. United Concordia creates out-of-network charges utilizing FAIR Health data supplemented with our charge data as appropriate. We then calculate the out-of-network charge at the 90th Percentile of such data. Non-network dentists may bill the member for any difference between our allowance and their fee.
